Re: FDA Food Facility registrations / Bioterrorism Act of 2002

This statement is to certify that Barry Callebaut USA LLC has complied with the FDA Bioterrorism Act of 2002 as of this date.

The following human and animal food producing and warehousing facility is registered with FDA as a food facility as required per 21 CFR Subpart H – Registration of Food Facility including the 2022 biennial registration renewal requirements.

Facility Name / Facility Address:

Europe Chocolate Company NV	Energieweg 5C, Malle 2390 Antwerpen Belgium	FDA Registration .....6526
-----------------------------	---	-------------------------------

FDA Food Facility registrations numbers are not provided externally due to security reasons.

BC USA notifies the FDA of all food shipments into the United States. BC USA authorizes the FDA to detain food if the agency has credible evidence or information that the food presents a threat of serious adverse health consequences or death to humans or animals.

BC USA personnel have been and will continue to monitor evolving regulations to ensure that our organization is meeting all requirements. Should you require any further details concerning our participation in these programs, please feel free to contact your Customer Service Representative.
